Summer 2009

New name, new location, same great classes!!! We are now located on S. Broadway (across from the old post office), just a few blocks from our old location . We also have a new web site under construction; sdcbroadwaydancecenter.com. This site should be up and running by August 1st.

New class—Wiggles and Giggles class available; 3-4 year old students will learn ballet and 5-6 year old students will learn tap. These classes will be September thru the 1st week in December. Cost is \$160 per semester including shoes and leotard. We do not have a night scheduled for the classes at this time. Watch for information on the new web site or at enrollment.

Enrollment dates are set for Monday, August 17th, from 4 to 8 and Saturday, August 22nd, from 11 to 2. You will be able to enroll for classes, order shoes and see our new studio. If you have dance shoes from last year, try them on prior to enrollment, so you know which shoes to order. Our new studio is not as large as the old one, so class sizes are limited. You can enroll now by visiting sherrysdancecenter.com or enroll after August 1st on the new site; sdcbroadwaydancecenter.com. The 5 –6 year old class will see some changes; class is from 4:30 to 5:30 and will include ballet, tap and jazz. Cost will be \$45 per month and will require shoes for each type dance. Clogging classes will be offered again this year, information on clogging will be posted as soon as we have it.

Sign up a friend for class and receive a month's free class. New students must be enrolled for the full dance year in order for you to receive the free month of classes.

Remember you can set up your account for auto payments. We take Visa and Mastercard or we can run your debt card.

If your recital program book came apart, you can bring the book with you to enrollment and we will have the book repaired for you.

We would like to use photos from classes and recitals on the web site. We will be asking you to sign a permission form allowing us to post pictures on the web site. It is not a problem if you do not want photos on the site. Also, we need everyone's e-mail address for sending information and newsletters. We will no longer be handing out newsletters. If you do not have an e-mail address, you can stay updated by checking the web site or looking for information in the studio.

**CLASSES START AUGUST 31ST.
